Mr. William G. Miller  
Staff Director  
Select Committee To Study Governmental  
Operations With Respect To Intelligence  
Activities  
Dirksen Senate Office Building  
Washington, D. C. 20510

Dear Mr. Miller:

We have received a letter from Mr. Schwarz dated  
3 March 1976 which states in part:

"This letter is intended to confirm the fact that,  
unless I receive word to the contrary from you, the CIA  
has no objection, on security grounds, to the publication  
of this report."

The report referred to is the SSC draft entitled  
"National Security, Civil Liberties, and the Collection of  
Intelligence: A Report on the Huston Plan."

We would appreciate it if you would inform the ap-  
propriate SSC staff members of the procedures we have  
mutually agreed upon which provide for written notification  
from this office to the SSC Staff Director stating that the  
CIA has no objection, on security grounds, only, to the overt  
publication of a report.

Sincerely,

STAT
